RACING ORANGE
#FF6A00 · Accent

TYPOGRAPHY

Orbitron

Headlines, eyebrows, navigation. Uppercase, wide tracking.

Inter

Body copy, UI, data tables. Regular and medium weights.

USAGE

Do — keep the mark on graphite or full-bleed imagery with a dark scrim. Use cyan for emphasis, orange sparingly for live/alert states.

Don't — recolour or stretch the mark, set headlines in a substitute face, or describe Gridline as an "Authorised Qubic Distributor".
